NATURAL HEALTH FROM THE ALOE AND THE BEEHIVE

November is the time when many of us are looking round for Christmas presents for our family and friends. Once again, Forever has put together some excellent packs of products to make the task of choosing easier. Forever Aloe Vera and Beehive Products are not just good, but they really are the very best you can buy. • October really delivered some changes in weather: it is now quite mild out, but the ice was thick on my car just a few mornings ago. What will November have in store for us, I wonder? Rapidly changing weather seems to make us vulnerable to every little virus going around, so at this time of year it is important to keep your nutrition levels up and your immune system healthy. Aloe Vera gel can help you do just that, and you can give the gift of good health too with the Drinks Presentation Case.

Hair Care

Many people have their own favourite hair care products and won't give a second glance to something different. But Forever's Aloe Vera and Jojoba-based shampoo and conditioner are worth not only a 'second glance', but a real hard look.

The **Aloe-Jojoba Shampoo** really does suit all hair types: long or short, curly or straight, blonde, brown or black. It is excellent for people who use hair colouring as fading will be reduced. It is also soothing for people with scalp irritations, so you may not need a different preparation for that.

The **Aloe-Jojoba Conditioning Rinse** is enriched with vitamin B complex to nourish, strengthen and protect the hair. It is pH-balanced for a healthy scalp and glossy, shiny and manageable hair.

Forever Aloe Pre-set is a natural, chemical and alcohol-free styling/volumising spray, with a quick-drying, non-sticky formula.

Finally, **Forever Aloe Styling Gel** is an alcohol-free, safe, natural styling product that can be used by the whole family. It is great to use as a blow-drying gel as it gives body and shine without stickiness.

The **Forever Haircare Pack** is an excellent present for anyone who cares about their hair.
