

# Aloe Liquid Soap

## Description and Purpose

Aloe Liquid Soap is a rich, pearlescent, moisturising hand and face cleanser, with a generous amount of aloe. It creates a luxurious lather, leaving the skin feeling clean, smooth and silky, while minimising the irritations experienced with some soaps. Its 'no tears' formula makes Aloe Liquid Soap an ideal shampoo for both children and adults.

Biodegradable, pH-balanced and non-irritating, it is mild enough for daily facial, hand or body cleansing, and is suitable for those with sensitive skin. With a handy, easy-to-use pump dispenser, this delightfully-scented product is perfect for the entire family.

### At a glance...

- No-tears formula
- Moisturising cleanser
- Mild and non-irritating
- Pump-action dispenser
- Ideal to use when shaving

## Ingredients

Stabilised aloe vera gel, water, sodium C14-16 olefin sulfonate, laurylamidopropyl betaine, propanediol, PEG-80 sorbitan laurate, sodium trideceth sulfate, PEG-150 distearate, cocamidopropyl hydroxysultaine, disodium lauroamphodiacetate, sodium laureth-13 carboxylate, glycol stearate, citric acid, sodium chloride, phenoxyethanol, methylisothiazolinone, fragrance.

## Contents

473ml (16fl oz).

## Directions

Release the lock mechanism and dispense a small amount of Aloe Liquid Soap into wet hands. Gently work into a thick lather for thorough cleansing. Rinse with warm water and dry.
