

Forever Aloe Scrub

Description and Purpose

When you want a wash that is more than skin deep, use Forever Aloe Scrub. With its unique combination of stabilised aloe vera gel and solid microspheres made from pure jojoba, the scrub is gentle enough for every day use and strong enough to clear away the debris that accumulates in the delicate pores of the skin. In combination, these two natural ingredients will clear the way for the skin's own renewal process, while helping to protect it from the drying and damaging effects of synthetic cleansers.

Forever Aloe Scrub is a skincare product, prepared from a base of stabilised aloe vera gel with natural jojoba beads as the abrasive scrub. It has been formulated to use on all areas of the skin, including the face, to gently scrub away the dead skin cells and debris that can clog pores and dull the skin's appearance.

Skin cells reproduce every 21-28 days. By the gentle action of Forever Aloe Scrub, the skin is exfoliated, reducing the risks of blocked pores and allowing new cells to come the surface, giving the skin a radiant and fresh appearance.

At a glance...

- Natural exfoliant for the face and body
- Prepares skin for moisturisation
- Use before applying Aloe Sunless Tanning Lotion
- Gentle enough for everyday use

Ingredients

Stabilised aloe vera gel, water, hydrogenated jojoba oil, glyceryl stearate, propylene glycol, sodium cocoyl isethionate, lauramine oxide, cetyl alcohol, cocamidopropyl betaine, PEG-100 stearate, hydrated silica, sodium lactate, tocopherol (vitamin E natural), citric acid, ascorbic acid, diazolidinyl urea, methylparaben, propylparaben, fragrance, blue 1.

Contents

99g (3.5oz).

Directions

Apply to wet face or body and gently massage the skin with wet fingertips (carefully avoiding the eyes) for 2 to 3 minutes using a circular motion. Add more water as needed. Rinse thoroughly and pat dry with a clean, soft towel.
