

# Forever Epi Blanc

## Description and Purpose

Most of us dream of having smooth, clear skin, however our busy lifestyle and exposure to the elements often result in spots and blemishes.

Epi Blanc's exclusive formula is specifically designed to brighten the complexion and gently even skin tone whilst helping to diminish the appearance of dark spots. Our 100% stabilised aloe vera gel is an excellent base for its natural botanical extracts such as arbutin (bearberry), rumex occidentalis and natural vitamin E, resulting in this excellent product.

Forever Epi Blanc is most effective when applied directly to blemishes or dark spots on the skin. Use of Forever's Sunscreen, in conjunction with Epi Blanc, is recommended during the daytime.

### At a glance...

- Gently evens skin tone
- Brightens the complexion
- Diminishes the appearance of dark spots
- Contains natural botanical extracts

## Ingredients

Stabilised aloe vera gel, water, glycerin, arbutin, triethanolamine, sodium ascorbyl phosphate, rumex occidentalis extract, sodium hyaluronate, vitamin E natural, xanthan gum, carbomer, dimethicone, 1, 2-hexanediol, caprylyl glycol, disodium EDTA, methylparaben, fragrance.
