

Recovering Night Creme

Description and Purpose

Recovering Night Creme is a primary component of our Aloe Fleur de Jouvence collection. It contains polysaccharides and other skin humectants, which form a protective film against moisture loss. Natural lipids for the important oil/water balance are provided by wheat germ glycerides and apricot kernel oil.

Soluble collagen and hydrolysed elastin are needed for maintaining good skin structure and reducing line and wrinkle formation, thus helping to combat ageing. Special skin enhancers, derived from our plant and bee product extracts, are also included.

Recovering Night Creme, with its moisturisers, gives life to the look and feel of your skin. It is designed for night use to condition the skin while the body rests, helping to restore skin to its youthful appearance, pliable, smooth and taut. It is a superior velvety cream that restores fullness to even the finest wrinkle lines, keeping the skin soft, whilst maintaining elasticity and moisture.

At a glance...

- Velvety rich night cream
- Contains every vitamin and mineral needed by the skin
- With added lipids to protect and replenish cells

Ingredients

Stabilised aloe vera gel, DI water, glyceryl stearate, stearic acid, propylene glycol, C12-15 alkyl Benzoate, hydrogenated polyisobutene, soluble collagen, triethanolamine, PEG-100 stearate, apricot kernel oil, polysorbate 60, sodium hyaluronate, hydrolysed elastin, sodium PCA, sodium lactate, tocopherol (vitamin E natural), squalane, bee propolis, panthenol (provitamin B5), camomile extract, retinyl palmitate (vitamin A palmitate), glucose glutamate, wheat germ glycerides, ascorbic acid, cetyl alcohol, allantoin, diazolidinyl urea, methylparaben, propylparaben, fragrance.

Contents

57g (2oz).

Directions

Place a small amount on the fingertips and gently spread over the entire face and throat until a thin continuous film has been applied.
