

Translucent Powder

Sonya Translucent Powder is enhanced by the world's finest micronised powders to give it a sheer, silky and luxurious finish suitable for all skin types.

May be used by itself or over foundation. Its silky texture gently softens shiny areas and provides a velvety surface for eyeshadow and blusher application.

As an eyeshadow/blusher base: sweep a cotton wool pad over the top of the powder, then buff into skin around the eyes, eyelids, nose and cheeks. Brush away any extra with the cotton wool pad.

Available in 3 shades

- 167 Light
- 168 Medium
- 169 Deep

At a glance...

- Finely micronised so stays on longer
- Non-drying to the skin
- May be used alone or over Cream to Powder Foundation for a radiant and long-lasting makeup application
- Easy to use for touch-ups throughout the day

Ingredients

Talc, mica, zinc stearate, caprylic / capric triglyceride, dimethicone copolyol, octyl stearate, silica, ethoxydiglycol, stabilised aloe vera gel extract, algae extract, carrageenan (chondrus crispus) extract, methylparaben, propylparaben, triclosan. [+/- (may contain): titanium dioxide (CI 77891), iron oxides (CI 77491, CI 77492, CI 77499), FD&C Blue No. 1 AI Lake (CI 42090:2), FD&C Yellow No. 5 AI Lake (CI 19140:1), FD&C Yellow No. 6 AI Lake (CI 15985:1), D&C Red No. 7 Ca Lake (CI 15850:1), D&C Red No. 22 AI Lake (CI 45380:3), D&C Red No. 28 AI Lake (CI 45410:2), D&C Red No. 30 Lake (CI 73360), D&C Red No. 33 AI Lake (CI 17200), D&C Red No. 34 Ca Lake (CI 15880:1), D&C Red 36 (CI 12085), manganese violet (CI 77742), ferric ferrocyanide (CI 77510), chromium oxide greens (CI 77288), chromium hydroxide green (CI 77289), bismuth oxychloride (CI 77163), ultramarines (CI 77007)].

Weight

9g.
